

To the Board of Trustees: Tom Bender, Bobbie Crosby, Jenny Johnson, Patti Norris, Wilbur Schooler, Joyce Taylor; Town Clerk, Tori McMechan:

It is with a very heavy heart that I must inform you that I, Danny Joe Bagby, resign from my position as the Mayor for the Town of Nunn. I offered a message of peace to all Citizens, even the Hatfields and McCoys. The message is apparently not being received.

Between the time of my election and the time of my swearing in, I was informed of possible threats to my family and home. I received a letter of 'concern' for my health from the Silent Majority (asking me to resign) and a hateful, slanderous letter from James McMechan via email. (See attached copies of both letters.) My house was peppered with paintballs and I had a suspicious visit at 4:00AM the day after Christmas.

I am aware of others receiving vandalism and personal attacks. I am not indicating I am the only one who has had these kinds of things happen to their property and reputations as well.

Due to safety concerns for my wife, myself, my home and property, I am unable to fulfill my duties as Mayor of the Town of Nunn and hereby resign.

Regretfully,

Danny Joe Bagby
